

Dick's. I am so glad Mother Waverly gave it to me and I hope that some day I shall take it to some other girl who has loved my son, that her child and my grandchild can wear it.

Oh, my baby, my baby, you bring love and hope, ecstasy and pain, tears and joy with you. I think from now on I'll take comfort in the thought of you.

(To Be Continued Tomorrow.)

MISINFORMED

"Hello, Dotty! What are you doing these days?"

"Same old thing."

"Are you really? I thought he went abroad."—Judge.

Twenty years ago yesterday Roentgen discovered the X-rays. Since which time we have been striving to get an X-ralse.
